DISCOVER INDEPENDENCE™

All-new Ford Independence™, available exclusively from OC Cars & Mobility Ltd, offers unique flexibility as a fully wheelchair accessible vehicle (WAV).

Based on the Ford Tourneo Custom, **Independence™** combines excellent accessibility features, ample space for either a manual wheelchair or powerchair, exceptional driver safety features and a top of the range infotainment system.

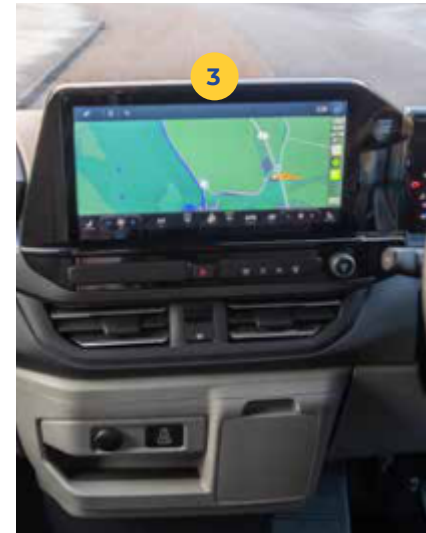

Practical, stylish and brimming with incredible standard features, **Independence™** truly is a stand-out WAV.

INDEPENDENCE™

1. All-new model
2. Stylish front grille
3. 13" colour touchscreen with Apple CarPlay/Android Auto
4. Lightweight **EasyFold™** ramp
5. One-piece tailgate
6. Parking sensors to help you manoeuvre

ACCESS, SAFETY & SEATING

All-new **Independence™** comes with improved wheelchair and powerchair access travelling dimensions.

The low gradient **EasyFold™** ramp is both lightweight and easy to use.

Easy-clean Safestep R12 flooring, complete with LED channel lighting, is fitted throughout to ensure wheelchair user safety and durability over time.

If you need a helping hand, there's also the option of an electric-assist winch, which is included as standard. Safety is of utmost importance, so every **Independence™** is fitted with high-quality wheelchair restraints and full lap and diagonal seatbelts for all passengers.

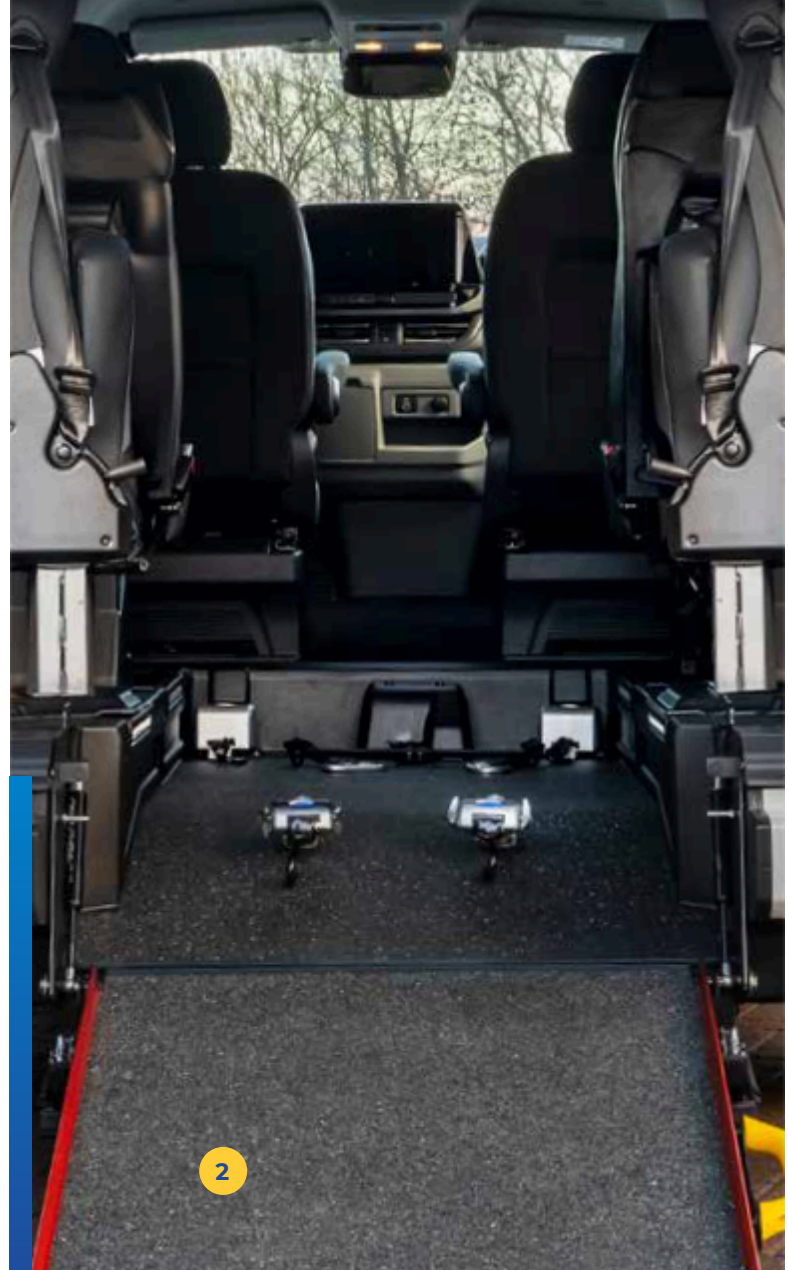

To meet different needs and preferences, **Independence™** is available with a variety of ISOFIX seating layouts. The wheelchair user travels alongside rear passengers allowing for a more inclusive and comfortable experience.

ACCESS, SAFETY & SEATING

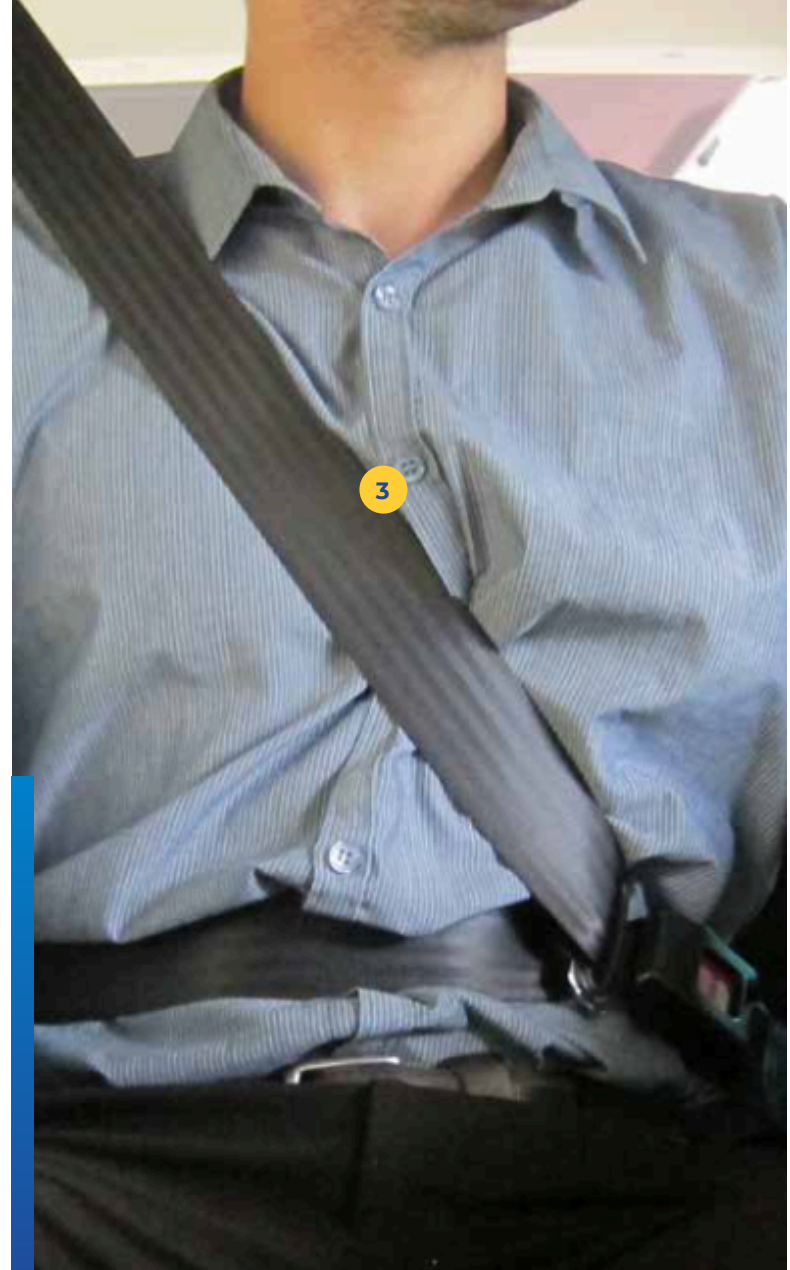

1. Numerous seating layouts available
2. Specially lowered floor for optimum accessibility
3. Lightweight, easy-to-use & slip-resistant ramp
4. Electric-assist winch available as standard

WHEELCHAIR ACCESSIBLE FEATURES

1. EasyFold™ lightweight ramp
2. LED channel floor lighting
3. Full lap & diagonal seat belt for wheelchair passenger
4. High quality wheelchair restraint system
5. Safety tested to Whole Vehicle Type Approval

VEHICLE FEATURES

Coming in Titanium specification, **Independence™** has an abundance of features that will impress both drivers and passengers alike.

Exterior features like the brand-new stylish front grille and 17" Carbonised Grey alloy wheels gives **Independence™** a high-class and modern look.

Whether you're finding your way with the factory fitted Sat Nav or using the reverse colour camera to park up, the high quality 13" touch screen is an interior highlight.

Other stand-out features includes front and rear air conditioning, with rear seat climate control, to ensure a comfortable journey for the wheelchair user and all rear passengers in any weather.

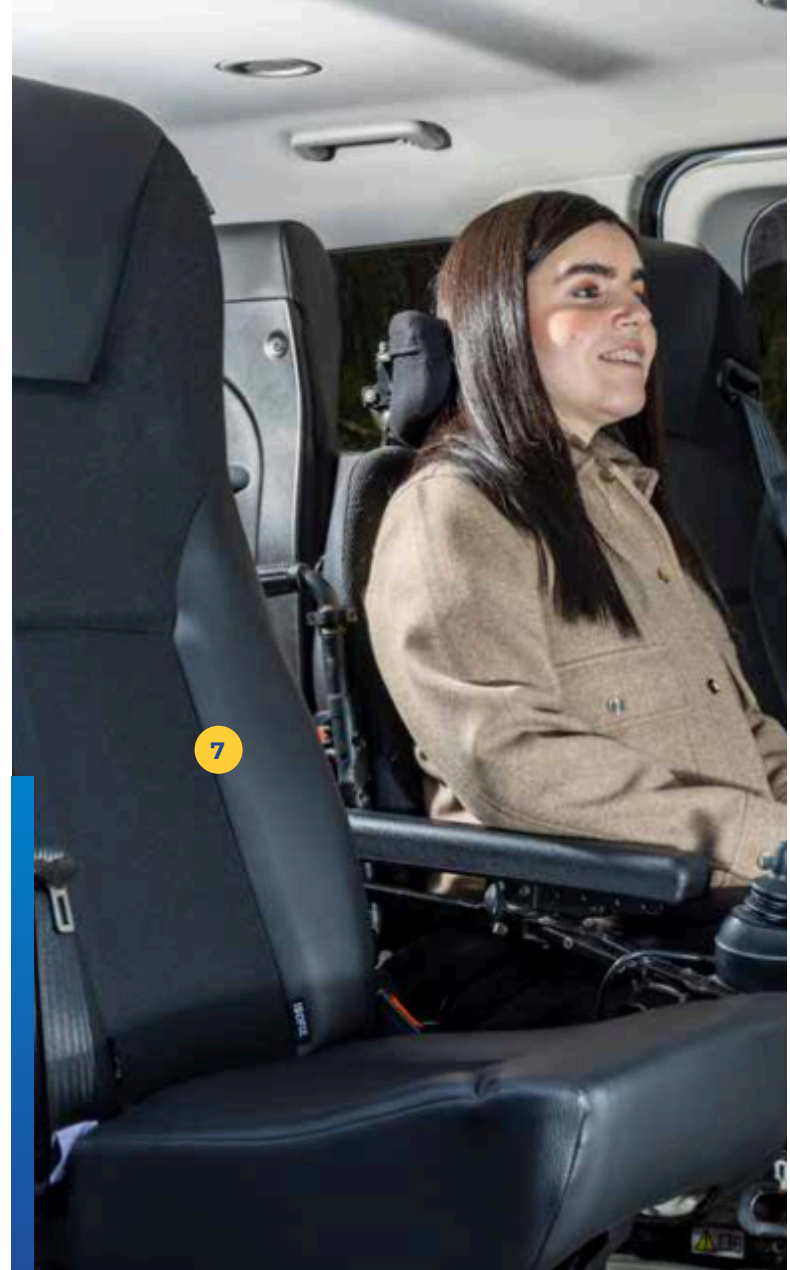

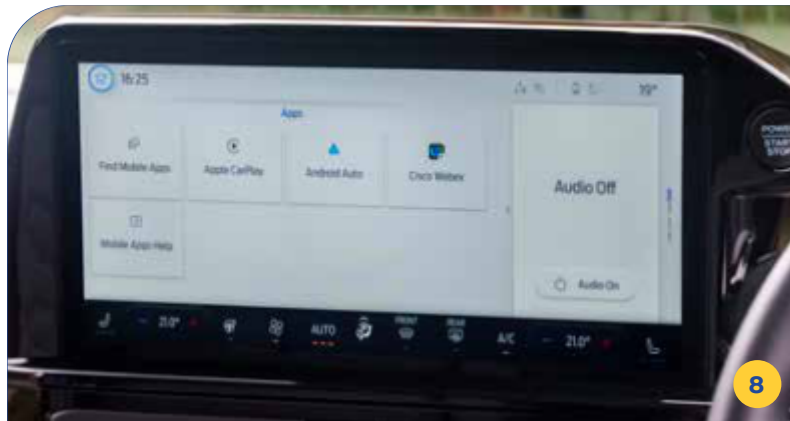

You can find the full list of **Independence™** features on page 19.

VEHICLE FEATURES

1. Cruise control
2. Keyless entry & start
3. 13" factory fitted Sat Nav
4. Front & rear air conditioning
5. USB & USB-C connection
6. Heated driver & front passenger seat
7. ISOFIX seating options
8. Apple CarPlay /Android Auto

MODEL CHOICE

To suit a variety of wheelchairs, powerchairs and lifestyles, Ford Independence™ is available in three models: RS, RE and Twin. Each offers a different wheelchair travelling position and ISOFIX passenger seating options.

RS

Our classic RS model retains the original Ford passenger seats, with the wheelchair user travelling comfortably behind.

RE

The RE has been designed with a lowered floor to provide extra headroom, ideal for taller wheelchair users or those with a higher wheelchair or powerchair.

The wheelchair user travels directly behind the driver and front passengers, in between one or two fellow passengers who travel in comfortable and high-quality fixed seats.

Twin

If you require a wheelchair accessible vehicle with ample space for **two** wheelchairs, the Twin model is for you.

RS - Up to 8 seats

Standard option

Optional tip & turn seat

With all models in the **Independence™** family, you can alter the 'tip and turn' seats for more passengers.

RE - Up to 7 seats

Standard option

Optional additional fixed seat
and tip & turn seat

Twin - Up to 7 seats

HELP & ADVICE

At OC Cars & Mobility, we are dedicated to helping individuals, families, and organisations find the perfect wheelchair accessible vehicle (WAV) to suit their mobility needs. With years of experience supplying and adapting vehicles throughout Ireland, we understand that every customer has unique requirements.

Our knowledgeable mobility specialists provide expert guidance from your initial enquiry through to vehicle handover, ensuring you receive the right solution for your lifestyle, budget, and accessibility needs.

We offer a range of high-quality wheelchair accessible vehicles from leading manufacturers, designed to provide comfort, safety, independence, and peace of mind for wheelchair users and their families.

Choosing a wheelchair accessible vehicle is an important decision. Our experienced team can arrange demonstrations and vehicle assessments to help you understand the available options and select the most suitable vehicle for your circumstances.

Whether you're purchasing privately, through a funding scheme, or on behalf of an organisation, we're here to support you every step of the way.

Our commitment doesn't end when you take delivery of your vehicle. We provide comprehensive after-sales support to ensure your vehicle continues to meet your needs for years to come.

VEHICLE DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important.

To ensure you're able to choose the best option for you and your family we always provide a free demonstration onsite.

Your mobility consultant will introduce the model that interests you most on our site, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

YOUR OC CARS & MOBILITY JOURNEY

You'll have a dedicated mobility advisor

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

We'll arrange a free demonstration and test drive, at a time that suits you.

Step 3

We can discuss personalised driving adaptations if you need them.

Step 4

Once you're completely happy with your choice, we can help with your paperwork or suggest alternative finance options.

consultant to guide you through your journey.

Step 5

We'll arrange delivery on a date that suits you.

Step 6

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

Step 7

Now it's time to hand over the keys!

Step 8

Our **OC Cars** team will provide a safety check every 12 months.
