### *S-Ergo Seating Design (Shaped to fit you)*

The revolutionary S-Ergo system is the first s-shaped ergonomic seating in theworld, designed according to the body's curve, which is capable of simultaneouslyrelieving pressure, stabilizing seating position, and reduces the tendency to slide forward.

### *Compact and Transportable*

After easily removing the rear wheels and footrests, the transportable piece weighs only 6.7 kg. This makes storage and transport much easier.

### *Detachable Footrests*

Swing in and out detachable footrests add convenience when the user transfers in tight spaces.

Ergo Lite 2 with self propel, quick release rear wheels.
